Well, if you have your Bibles, if you could please turn to Hebrews, Hebrews chapter one, Hebrews chapter one. Again, I want to thank everybody for being here. I want to thank those who are watching by internet. And what a blessing that we have the word of God. Amen. Hebrews chapter one, I'm going to have verses, two verses here we're going to look at right from the beginning. You Chapter one, verse one, the Bible says, God, who at sundry times and in diverse manners spake in time past unto the fathers by the prophets, had in these last days spoken unto us by his son, whom he had appointed heir of all things, by whom also he made the worlds.

Let's pray. Father, we thank you. For this day that you have made. We thank you for all the blessings. Most of all, Lord, we thank you how you speak to every one of our hearts. And Father, how you love us, how you show mercy, and how you're helping us to be better us. So as we come today, I pray, Lord, that you would bless your word as it goes out. And may everyone Recognize the fact that Jesus is Lord. And this I pray in Jesus' name, amen. Well, you can be seated at this time. And just so you know, here we find the book is called Hebrews because it was written to the first century church, which Was all Jewish. And at the time, there was great persecution for these Jewish believers in Jesus by the Romans, not only the Jewish that did not believe in Jesus, but even the Romans.

So there was great persecution and great pressure for them to come back into the fold of Judaism. So they will. So there were a lot of these first century Jewish church believers, believers in Jesus, who were struggling. So the book of Hebrews was written in focus of that. And as we see from the beginning, when we look at it, it says, God in sundry times and in diverse manners spake. In time past unto the fathers by the prophets, and had in these last days spoken unto us by his son, and whom he had appointed heir of all things, by whom also he made the worlds. When we look at this from the beginning of human history, God has never left man in the dark, he has always been speaking, he has always been a speaking God, revealing, instructing, and warning mankind and calling his people to himself.

And we know that right in the when you read the word of God, you right from the beginning, you see him. He speaks, he spoke to Adam, he walked in the garden with Adam. And also, he's fine as you move through the Old Testament, you see, he spoke to Noah in the days of judgment before the flood. And then we find he spoke to Abraham. And with Abraham, he began to give the covenant promises. And then we find throughout all the time how he's spoken. God has never let man alone. And we find this also. But all these revelations in the Old Testament, whether given through visions, dreams, or symbols, or even prophetic messages, were only partial of God's plan. God spoke at sundry times and in diverse manners meaning he revealed himself progressively in stages and in various ways. That means it was a piecemeal of truth of his plan. You understand what I'm saying? All through time from

the beginning. And we see right from the beginning when the prophecy, the first prophecy, that a woman would bear a seed. Amen. So we see that all progress. And then... Hebrews tells us something staggering here.

God has now spoken, it says, in these last days by his son. So we see all this, 1500 years was all that written. God used 40 men on three continents Asia, Africa, and Europe. 1500 years, 40 Men all through that time giving fragments of truth that would build upon each other. And then now, a staggering truth right here. He says, In these last days, God speaks by his son. You know, it's amazing. You know, going back to when Hebrews and the Nobody knows who wrote Hebrews. I I and this is only my opinion. I believe it was the Apostle Paul. I Believe he wrote this but he didn't want to put his name because he was the persecutor of the church before he himself came to Christ and when we look at it we find Hebrews We find that when this was written, it was written kind of a way when you read it, it was written showing that Jesus is superior to everything. He's superior to the angels, he's superior to Moses and Joshua leading his people to rest. He's superior to the priests superior to the priesthood, him coming from what? Where we see Aaron and all the priests, the Levites and all that, they came through Aaron.

Jesus and his priesthood is before that, in the order of Melchizedek. And I mean, we could go on and on and on, but here the writer is Proving that the whole scripture and everything is Jesus. So the first thing I want to look at is God has always spoken. Amen. Look at it. Hebrews chapter 1, verse 1. God, who at sundry times and diverse manners spake in time past unto the Father. And his spake in time past unto the fathers by the prophets. The writer begins by reminding us that revelation is God's plan. And when I say revelation, I mean how he has revealed his plan for mankind. He is not silent or hidden. Right from the beginning, God has revealed himself. You know, it was, it was. The fall of man. Adam walked in the garden with God. He had an intimate relationship, but when sin entered, that relationship was severed.

So God began to give fragments of truth that would build upon itself of his plan. We can find it all the way, and you don't have to look at this, but Genesis chapter 1, verse 3. And we know that God spoke creation into existence. When God said in Genesis chapter 1, verse 3, let there be light. And then there was light. He spoke it. And then when we move to Exodus chapter 3, verse 14, God revealed his name to Moses. And I'm not going to go into the whole thing, but what happened? Moses was was tending his father Law's sheep, and he saw a burning bush. And as he went closer, it was God in the burning bush that began to speak to Moses and calling Moses to go back into Egypt to set his people free. And Moses said, Well, who do I tell him that is sending me? And he says, They're amazing. He says, Tell them I am sent you. Amen. Also in Amos chapter 3, verse 7, God revealed his will through his prophets. All that God was ready to do, he gave the prophets. Listen, 1500 years, 40 men God used to bring his revelation.

His plan. And then we go to. Second Peter, and I want to turn to this one. This is the New Testament and second Peter. Look what it says in verse in chapter one, second Peter, chapter one, verse 21. And here it says, for the prophecy came not in old time by the will of man, but holy men of God spake as

they were moved by the Holy Ghost. What's this saying? That these prophets in old times didn't just write what they wanted, they were moved by the Spirit of God. God's Spirit had moved in their hearts to write down exactly what God wanted them to say in their own style and their own feeling. And it became God's word. And these were prophecies that were written thousands of years and then now becoming fulfilled in the future, so that we know that the word of God is true.

And nobody can tell me that there's been a discrepancy in this book. The phrase at sundry times and in diverse manners means God spake progressively and variously. What does that mean? Again, fragmented. It was inch by inch. He was building his plan and the word of God. And again, we find it through visions. I'm not going to go through all these, but in visions in Isaiah chapter 6, when Isaiah saw the vision He saw the Lord sitting on his throne, high and lifted up. Remember? Also through dreams. Remember Daniel? Remember Daniel's dream? Nebuchadnezzar's statue. Nebuchadnezzar, remember he had a dream and Daniel interpreted it.

So we find visions. God speaks, dreams God speaks, also through symbols and types. In Leviticus, God had put out the whole sacrificial system. And if you study the sacrificial system, it would all point back to Jesus. Because all that system, all the sacrificial systems, was all pointing to man's sins and needs a sacrifice of shedding blood to cover his sin that was all in the Old Testament but yet Jesus was the fulfillment of that because it was Jesus that went to the cross. It was Jesus that shed his own blood for the sins of the world a onetime sacrifice listen his his sacrifice is period of all that was done in the past. It's amazing when We read the Bible and when we put it all together. It's amazing. And then through historical events, we see how God spoke. God spoke to the whole world. The God that the Israelites had was the true God. The greatest military army was now coming after. This freed People from Egypt and there was nowhere to go They had the Red Sea before him and they had the Egyptian army behind him and what happened God opened up the Red Sea and they walked on dry ground and it was only when the Egyptians began to pursue you seen the movie if you're of 50 years old and older.

You've seen it on TV all the time. Amen? The Ten Commandments. I think that's a four hour movie, isn't it? Four hours. But listen, all of this revelation was fragmentary. It was little by little. It was true and inspired, but incomplete. And it pointed forward to something, something greater Jesus. And that's My second point Look what it says. God's final word is his son. Look at Hebrews chapter 1 verse 2 It says in these last days spoken unto us by his son Whom he hath appointed heir of all things by whom also he made the worlds This is the whole heart of the message in the this passage Amen In this passage.

Amen. Jesus is not merely some prophet, some man, some religious leader. Jesus is the message himself. And my heart breaks because so many people in the world are listening to lies. Oh, he's just a man. No, he isn't. Oh, you can't believe that Bible. That Bible has all kinds of things. You believe that the whole Red Sea was opened up? Yeah, I believe it. Matter of fact, can I say this? They're finding at the bottom of the Red Sea, they're finding all these chariots and chariot wheels that come from the time of that Pharaoh that pursued him.

Horse bones. Did I say that right? Horse bones. Did I say it right? Horse bones strewn all through. Right now, if you could put on, I don't know scuba gear, but it's If you go down, God has made sure that man still can see that. It's amazing. God's final word is his son. God's revelation reaches its climax in the Lord Jesus Christ. And you know, somebody said, Jesus Christ, is that his last name? No. When we say the Lord Jesus Christ that word Christ is Greek for what? Messiah. The Lord Jesus, the Messiah of Israel.

God revealed him. Look with me to the Gospel of John. Matthew, you're going to be a part of the story. Matthew, Mark, Luke, and John. Look at John chapter 1. This is amazing. In John chapter 1. Again, and if you found your place, remember this God's final word is in His Son. Look what it said before we read John chapter 1. It says here in Hebrews chapter 1, verse 2. Hath in these last days spoken unto us by his Son, whom he had appointed heir of all things, by whom also he made the worlds. Talking about Jesus. And if you get to John chapter 1, verse 1, the Bible says, In the beginning was the Word, and the Word was with God, and the Word was God. Isn't that amazing when you read? That? And I like a move from John chapter 1, go to verse 14. John chapter 1, verse 14 says this and the Word was made flesh and dwelt among us. And we beheld his glory, the glory as of the only begotten of the Father, full of grace and truth. Do you realize what this is saying? That this same Jesus that we worship is what?

God who took a human body so he could go to the cross and die for our sins. This is the same God. Also, while we're still in John, go to John chapter 14. This is what Jesus says. John chapter 14. Look at verse 9. In John chapter 14, verse 9, Jesus saith unto him, Have I been so long with you, and yet hast thou not known me? He says, know me, Philip. He that hath seen me had seen the father and how sayest thou then Show us the father You see what he's saying here He's saying that him and the father I won what an amazing thing and we are. And we find more of this if you move to Colossians, Colossians chapter 1. And for some reason, I love this part of the scripture. In Colossians chapter 1, we see Christ is the image of the invisible God.

He had just said, You've seen me, you've seen the Father. They crucified him for that. He rose again the third day and went to heaven. But here in Colossians in verse 15, it says, and this is speaking of Jesus, who is the image of the invisible God, the firstborn of every creature. And now let me just say this when it says firstborn of every creature, in the context of the Greek here, it means he is ahead of creation. That's what it really means. It doesn't mean he's the firstborn of the He is the creek. He is the create the creator is what it's saying and Well, how do you know that will drop down and I don't have this in my notes but if you're still in Colossians chapter 1 verse 12 If you keep reading it says for by him were all things created that are in heaven and that are in earth visible and invisible.

Whether they be thrones or dominions or principalities or Powers, all things were created by him. Who's him? Jesus. All things were created by him and for him. What an amazing thing. Also, move to chapter 2. Look what it says in verse 9. For in him, this is Jesus again, for in him dwelleth all the fullness of the Godhead bodily. That means this creator God, this invisible God that we can't see, who's spoken to us all through the Old Testament by dreams and visions and prophets, fragmented truth. This creator God here dwelleth in Jesus bodily. That's why he stood there and says, I am my father and one.

They were looking at a man, but yet he wasn't only a man, he was fully God and fully man.

And that's why it took him to walk as a man without sin to die for all sin. Isn't it amazing when you think of that? The phrase in these last days means the arrival of Jesus marks the final era of God's redemptive plan. There is no further Revelation needed because the Son, Jesus, is the full and perfect revelation of God. And when I say revelation of God, His redemptive plan, all that was set before, all these fragmented, born the seed of a woman, born of a virgin, all these things, born in Bethlehem, all would move up to Jesus.

And then what did Jesus do? He went and died for our sin. He redeemed us back to Himself. So when we look at this, we see that it was God's final plan. I mean, it was God's final word is His Son. In my third Point is this the son is superior in every way. Think of that. He's superior in every way. And why? Look at Hebrews chapter 1, verse 2 again. It says, In these last days spoken unto us by his son, whom he had appointed heir of all things, by whom also he Made the worlds. So the writer immediately gives two reasons why Christ, the Messiah, is the supreme revelation of God. A is he is the heir of all things, Christ possesses everything by divine right, because he's God. Psalm I can't go, but you can write these down. Psalm chapter 2. If you write your notes, Psalm chapter 2, verse 7 through 8, it speaks of the nations are his inheritance. Also in Matthew 28, 18, Jesus stood there and he says, all power is given to me. Who's me? Jesus he's telling his disciples, all power, all authority is given to me.

Why, because he went to the cross to die for all, and the Father was pleased. And then, Colossians chapter 1, verse 14 and 18 I mean, 16 I already went through this where he is the creator of all things, all things were created by him and for him. And then Philippians, the last one is Philippians chapter 2, verse 9 through 11, speaks that every knee will bow to him. Yeah, we have people today, and this saddens my heart, we have people today that reject him, that even against him, I mean, there's people Behind the scenes that hate everybody who loves Jesus.

And there have been times where people, even in their last breath, would lay there and stick their hand up to God and then die, rejecting their creator God, rejecting the Messiah Jesus. And my heart breaks for them. I don't stand there as one said, Oh, yeah, I stand there with tears in my heart for them, for they know not who He is. And because of that, there'll be a day when judgment comes, for all those who rejected Him will one day stand before Him, the Bible says, because they died. And before they're cast into the eternal lake of fire, they're going to stand before him one day. Every knee will bow and say that he is Lord. It's going to be too late for them. Also, he is not merely a messenger, he is the servant sovereign, the sovereign Lord. And then, B, he is the create; he is the creator of all things.

And I just went through that: the creator of all things. The Son is not part of creation; he's the agent of creation. He's the reason why all this exists. He's the reason why you exist. And because of sin, he did not want you or I to die. So he sent all 1500 years he sent them men to write giving them visions and giving them dreams and symbols it was all to bring us to Jesus They're telling me that this God loves us that this God's not willing that any should perish but that all all should come to him by faith. He's the

creator of all things. John chapter 1, verse 3, we already saw that all things were made by him. Colossians chapter 1, verse 16, I already said all things were created by him and for him. 1 Corinthians chapter 8, verse 6, the Father created all things through the Son.

This means the one who speaks, speaks to us in these days, is the very one who spoke the universe into existence. And I thank God that one day he spoke to me. And I don't mean like that movie where George Burns with a cigar. How many have seen that movie back in the day? No, he speaks to our very being. Listen, there are people who say, oh, he doesn't exist. But then there are people who are struggling. Is the God of the Bible real God? And then you know what happens? Something exciting happens. They begin in their own heart and pray and say, God, reveal yourself to me. And you know what? He'll reveal himself to you where only you know that it was only God that could have done that. Why? Because that's the God we serve. Because that's the one who we come to. Amen. Because God spoke to us in these last days by his son, who he is, what he's done. Amen. The prophets gave only pieces of the truth, Christ gives the fullness of truth. Amen. The prophets delivered the message from God. Christ is the message of God. And if you could only understand that.

So, what's God's final word means for us today? That's the key. What does all this mean to us today? Well, Hebrews chapter 1, verse 1 and 2 reminds us that we are not living in a world where God is silent. We are living in a world where God has spoken fully and finally and perfectly in His Son Jesus. And if Christ is God's final word, then we must listen to him. Every other voice that we're hearing, because there are voices all over in this world that we're hearing that we listen to all the time. We're living in a world where God has spoken, but we're finding. That the world speaks loudly. You look at the world today and they're speaking everything against what God has spoken. You look around and you see all the man, my heart breaks. They got so much stuff out there for Halloween right now. Halloween is encroaching on Christmas. It's sad that death and evil is glorified. And I know that's my opinion, but I know there are people, oh, I love it. Listen, that's up to you, but all I see is something different. And the world speaks loudly.

And the culture speaks with every other voice than God. And the world, we're living in a crooked, dying world. And do you realize? That even our own flesh speaks to us? Our own flesh is always constantly telling us, oh, don't do it God's way, do it our way. Because I love what I'm doing. Listen, God wants to make a better you. And He can't do that unless He has you. And the world and your own desires are keeping you from truly listening to God. But I'm here to tell you, none of those voices have the authority, the clarity, or the truth that is found in Jesus Christ. He is Lord of all. In John chapter 14, verse 6, Jesus stood there in John chapter 14, verse 6. And he made the most amazing statement. He stood and he said, I am the way, the truth, and the life.

No man come unto the Father but by me. What is he saying there? He's the way. Religion's not the way. Being good's not the way. Being baptized is not the way giving your offering to church is not the way Jesus says I am the way Your good does not cancel out your sin it was the shed blood of Jesus that canceled that out I Am the way the truth listen if anything comes against who Jesus is and what he's done is a lie. He does what he's done is a lie because Jesus is the way the truth and The life he's the one

that gives eternal life It's only through what he did on the cross he stands there and says I paid for your sin But just because he died for your sin is not going to hold you and help you have eternal eternal life.

You must come to Him by faith all those sins of the world. It's available to any, but it's given to those who have called on him. I am the way, the truth, and the life. No man come to the Father but by me. And I love this. I'm going to end with this. For those who are listening out there on the internet, for those here, when you say, well what's God's final word means to us today it means that Jesus is the creator he's the inherent inheritance of all of us and it's up to you and I to turn to him to believe that he is the way the truth in the life and he is the way. That only through him you can come to the father in heaven. But I love this. Romans chapter 10 verse 13. It says for whosoever shall call the name of the Lord shall be saved.

What a message right there. I did that years ago. I know the many of you have done it. Where you called on Jesus saying, Lord Jesus, forgive me a sinner. I come to you broken with no hope, but yet I come to you, the one who died for me, the one who paid my sin debt, the one who is calling me to the Father. And I ask you to forgive me and save me. Would everybody stand up at this time? Thank you. God spoke in the Old Testament, and that Old Testament was incomplete, but it was all pointing to Jesus, who completed God's redemptive plan by dying for you and I. And if I could have you all bow your heads and close your eyes, you're here today.

Maybe you've already trusted Christ. And everything I said was, oh man, Pastor, that was good. God is great. Jesus is Lord. But there might be some here or even some out there that said, Lord, I've never trusted you. Pastor, I'm finally understanding, but I still don't know how. How can I be forgiven? How can I know I have a place in heaven? I'm a sinner. I've done, you don't know what I've done. Well, Jesus does. That's why he died in your place. And it says in Romans 10 13, for whosoever shall call the name of the Lord shall be saved.

I'm here to tell you if you're out there today, all you need to do is call on Jesus. You don't need to say it out loud. Only in your own heart, you can say, Lord, forgive me. There's somebody here that might not know Jesus. If you died right now and you know you're going to heaven, raise your hand. I see your hand. If there's any doubt, I want you to raise your hand. Nobody looking around. If there's any doubt, put your hand up and say, Pastor, I don't know. I want to know. Yes, I see your hand. I want to know, but I don't know. I'm so thankful that you out there listening by the internet, that you right now, right where you're at, you could just bow your head and say, Lord, forgive me, a sinner. I believe that He went to the cross for me. I believe You died for my sins.

And I ask You now, because You rose from the dead. And you're seated in heaven. I believe that, and I'm calling on you now, Jesus. Forgive me a sinner. You could do it right in your own heart. You could say, Lord Jesus, I believe who you are and what you've done for me. Forgive me and give me eternal life. Father, we thank you. That you never stop talking, you never stop speaking. You always made yourself Known to mankind. And Father, we hold this word in our hand, the word of God that you've given us with all the Old Testament, all moving forward, building line upon line and truth upon truth

until we come to Jesus, the one who would die, the one who would be the Lamb of God, as John the Baptist said, the Lamb.

God is the John the Baptist said the lamb of God that take it away the sins of the world. Father, I pray that you would use this word to save some when they believe who Jesus is and what he's done for them. And this I pray in Jesus' name.
